

SOFiE Business GUI – Certificate renewal

U IT is a Luxembourgish RegTech company specialized in Legal Reporting. Since 2010, we supported more than 370 customers including 45 banks. Helped by this strong expertise, we provide with a quality and guaranteed service.

This present offer covers the delicate operation of renewing the Luxtrust electronic certificate. U IT guarantees the success of operation, performed rapidly, and under a fair tariff specifically reduced for this specific purpose.

Context & requirements

In the context of this type of SOFiE account, with a yearly use, the usual exigencies are :

- The renewal has to be performed urgently
- The service must be fully operational after the renewal
- The data processed by SOFiE must remain accessible only to those in charge

Guarantees

U IT provides the following guarantees :

- Respond to any **urgency** : **the operation can be achieved in a few days** (record is 2 days)
- A **maximum of 4h of service interruption**
- A specific independent backup of the profile which grants a guarantee to restore it in case of issue
- **1 month of service contract** granted after the operation
- **The insurance that the FATCA/CRS data remain confidential, including regarding U IT staff**

Tasks performed

- All the technical steps under the SOFiE Business application performed remotely
- **Act as SPOC for all the paperwork with Luxtrust, the House of Entrepreneurship and Six Payments**
- Synchronize all the participants for the key operation of switching the certificates
- Test & validate the change + **application maintenance** (update SOFiE, clean up profile)
- Backup the key SOFiE profile files (restore warranty from 1 to 3 years)

Future & maintenances

If you experience the following in the future :

- A change in your IT infrastructure, a new workstation, or a new colleague which impacts SOFiE
- You lost the password or it's not running anymore
- You have to send new kind of reports and need advises

Do not hesitate to contact us, we'll respond rapidly.
