

SOFiE Sort – GUI installation offer

U IT is a Luxembourgish RegTech company specialized in Legal Reporting. Since 2010, we supported more than 370 customers including 45 banks. Helped by this strong expertise, we provide with a quality and guaranteed service.

This present offer covers all the needs any new participant would express and which can be summarized by the following sentence : “We want to be in order toward the Luxembourg regulators, to understand what we have to achieve to do so and to master this new task in an efficient way”
 This offer is for non-EU customers to take into consideration time shift work on our side.

Context & requirements

SOFiE Sort in GUI mode is used by many companies which are requested to send reports on a regular basis to the Luxembourgish regulators.

The usual requirements are :

- A good understanding of the (new) task to be achieved and the wish to master it rapidly
- An help to send the first reports and a warranty to be helped during the months that follow
- An installation which is adapted to the IT infrastructure and the numbers of users
- A **fast delivery of the solution**

Guarantees

U IT provides the following guarantees :

- Swiftiness : **solution can be up & running in less than one week**
- Training : **we send your first reports** as a practical exercise **during the training session**
- **Follow up : we rapidly answer any of your requests during the month(s) that follow the installation**
- Advising : we advise you regarding the regulators in case of a delay in the delivery of reports

Tasks performed

- All the technical steps to configure your SOFiE profile
- Act as SPOC for all the paperwork with Luxtrust, the House of Entrepreneurship and Six Payments
- Create & fill the CSSF registration document + provide with precise instructions
- **Liaise with your IT and install the application as per to your environment and security standards**
- Grant a remote training on SOFiE
- Perform a specific backup of the profile placed in a safe location on your side (restore warranty)

Future & maintenances

- Subscribe to our service contract to benefit a fast & guaranteed support and help in the future
- A technical problem encountered ? It's 75% of the time solved in 1 hour
- A question about Legal Reporting ? We certainly have the answer, do not hesitate to contact us
